

## REMARKS

By this preliminary amendment, the specification has been amended to provide reference to Applicant's parent application. A formal drawing is attached herewith for substitution with the original drawing of record. In addition, claims 1-7 which were prosecuted in the parent case, application serial no. 10/009/000, have been cancelled without prejudice and claims 8-16 which were withdrawn in said parent case pursuant to a restriction requirement are now being prosecuted in the present divisional application.

Accordingly, an expeditious and favorable action is hereby solicited.

Respectfully submitted,

JAMES P. SHARKEY
